## “DAS MARIAS

## A GASTROBAR WITH SOUL, TASTE AND STORIES”

In the heart of Lisbon, Das Marias was born to celebrate the story of Maria Severa – the first great voice of Fado, and a symbol of strength, art, and emotion.

This bar is a tribute to her spirit and to all the Marias who carry a story worth sharing.

Our menu is a journey through Portugal: from north to south, every dish tells a tale of tradition and flavor. We serve artisanal beers, Portuguese wines, and signature cocktails inspired by local ingredients and heritage.

Inside our space, you'll also find a piece of the Fernandina Wall, dating back to 1373 – a living memory of Lisbon's rich past.

At Das Marias, every song, every sip, and every plate is an invitation to feel Portugal with heart and soul.

We're not just a gastrobar – we're a Lisbon story told in flavors and music.
